

Fugen Students Engagement Resources:

Academic Advising & Success Coaching: Personalized guidance to help students stay on track.

Peer Mentorship: Programs that connect students across grade levels to build community.

Tutoring & Writing Centers: Direct support to strengthen study skills and academic performance.

Extracurriculars: Sporting, cultural, and social groups that foster creativity and collaboration.

Accessibility Services: Dedicated campus support tailored to meet diverse student and accessibility needs.

"Go Green" campaigns: students engage in planting saplings, building butterfly gardens, and tracking the growth of native flora.

- **Cognitive Focus:** Exposure to greenery reduces stress and increases concentration and academic performance.
- **Holistic Education:** Integrates real-world biology and ecology into the student curriculum.
